My interest in British poets and their use of classical literature evolves from a paper I offered on the 20xx Novus Et Antiquus Conference. I had the privilege of being chosen as one in every of five undergraduates to attend this college convention, where I introduced my work on classical mythology's influence on the medieval writer Geoffrey Chaucer's poems *The Knight's Tale* and *The Parliament of Fowls*. There Chaucer uses the Roman gods and goddesses to orchestrate the fates of the scholarship essay writing services 2 feminine characters. By means of the intervention of these deities, Chaucer exhibits compassion for women and grants mercy to each females. My expertise as a school junior presenting a paper at a faculty convention proved gratifying on one other stage as effectively: I used to be pleased to obtain steering from the professors, and likewise to be complimented on my pronunciation of Center English quotations.

Now, the biggest passion of my life is supported by my most pure potential. I've had over thirty Spanish students, ranging in age from three to forty and spanning many ethnic backgrounds. I at present work with fifteen students each week, every with totally different needs and methods of studying. Drawing alone experiences as each a second language-learner and a figure skater, I assign personal, interactive workouts, make jokes to maintain my students' mindset positive, and never give away proper answers. When I first began learning my axel jump, my coach instructed me I must fall at least 500 occasions (a couple of year of falls!) with the intention to land it.

Likewise, I have my college students embrace each element of a mistake until they can start to acknowledge new errors once they see them. I encourage them to broaden their horizons and take delight in preparing them for new interactions and alternatives.
